

## Touch

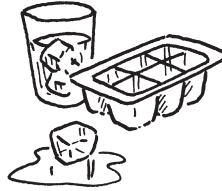

1  Listen and repeat.

soft

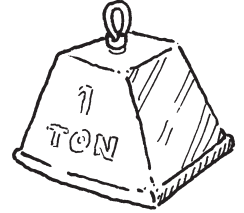

smooth

cold

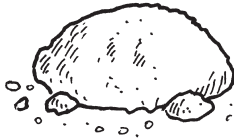

wet

heavy

hard

rough

warm

dry

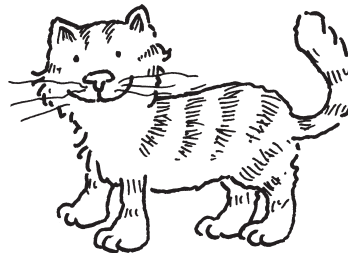

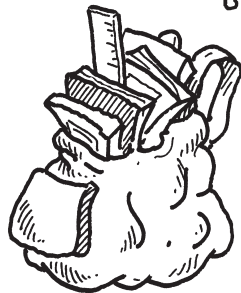

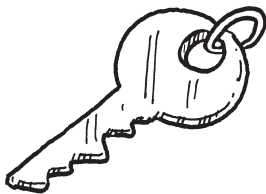

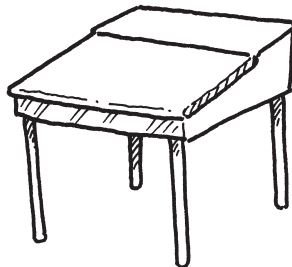

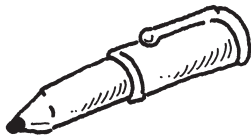

light

2 Describe the things. Write sentences. Use all the adjectives in 1.

Example:

*The apple is cold, smooth and hard.*

3 Work with a partner. Find some things in your school bags and put them on the desk. Describe them to your partner.

Example:

**A:** *It's long, hard and light. What is it?*

**B:** *It's a ruler!*

4 Work with a partner. Take turns. Student A close your eyes. Student B gives you things to touch. Say what they feel like.
